

Independence Village of Aurora

Aurora, Ohio

Client

The PM Group
Mr. Kamran Qadeer
248-529-2263

As a result of our pre-construction and early construction phase success in 2001 at the Independence Village of Avon

Lake, the PM Group negotiated a similar contract with Panzica Construction Company to manage the construction of Independence Village of Aurora, a similar 2-story, 142,000 s.f. structure. The project incorporated two landscaped courtyards, full service kitchen, porte cochere and an attractive octagonal 2-story area adjacent to the main entry.

Architect

Coponen Architects
Mr. Art Jeffrey
